The Glen is more than a building – it's a feeling. A feeling of comfort, compassion, and most importantly – The Glen is about a connection.

Since 1898, The Glen has been a vital part of the Shreveport-Bossier City community, which further emphasizes the value we find in our connections. Our interactions continue to foster close relationships. We build close ties with families, community partners, and with each of the residents we serve.

As a community partner, you find value in The Glen being a nonprofit, and you see us serving a purpose in the community. But, we need your support. We would greatly appreciate a contribution to The Glen this season for the renovation of the Stiles Apartments. Our plans include replacing exterior siding, doors, and light fixtures.

Your gift will provide needed funding to improve the exterior of the Stiles Apartments, located in the heart of our campus. Your gift will assist us to further uphold the standards that our community partners and residents expect from The Glen. We are asking you to help us update The Glen to make it a more comfortable, accessible and beautiful environment for the residents who call our campus "home."

On behalf of the board of directors and the staff, and as fellow donors, we invite you to consider your personal connection to our community and make a contribution in the amount you find significant. Please know that your gift will impact the lives of the residents at The Glen. We thank you for your consideration and wish you a joyous and blessed holiday season.

Sincerely,

Debra Williams
