**RE: COVID-19 Update Glen Communications**

Dear Residents and Family Members,

We are informing you of an update on The Glen's COVID-19 community status. The Glen learned yesterday, January 9, of a resident at The Stiles Apartments who has tested positive for coronavirus. The resident is isolated in her apartment.

The Glen is continuing to mitigate the risks of COVID-19 by performing these tasks:

- **Visitation guidelines are posted near the facility.**
- **Visitors are limited to 2 adults who are 18 years of age or older per appointment following guidance from the Centers for Medicare Services and Louisiana Department of Health.**
- **All visitations must be scheduled.**
- **The Glen encourages you to delay your visit at this time.** Alternate arrangements can be made for virtual visitation through Facetime or window visits.
- **Inside visitation is restricted at present except for compassionate care situations for conditions such as an active end of life process.** To learn more about compassionate care guidelines contact the facility.
- CDC recommended screening of all who enter.
- Restriction of inside visitation during facility outbreak testing.
- Universal use of face masks for all personnel and other PPE as required.
- Ongoing environmental sanitation with EPA approved disinfectants.
- Use of recommended isolation protocols in The Stiles Apartments with exposure to a positive resident or staff member in the last 14 days.
- COVID-19 positive residents are isolated in their apartment.
- Quarantine of COVID-19 positive staff to home.

The Glen's COVID-19 communications and updates are posted on our website at **[theglen.org/resources-for-the-coronavirus](http://theglen.org/resources-for-the-coronavirus)**. For additional questions, contact The Glen at 318-798-3500.
