RE: COVID-19 Update Glen Communications

Dear Residents and Family Members,

We are informing you of an update on The Glen's COVID-19 community status. The Glen learned of a contract worker and staff member at Village Health Care who have each tested positive for coronavirus. The contract worker has been quarantined off campus. The staff member has had no resident contact and is quarantined off campus.

The Glen is continuing to mitigate the risks of COVID-19 by performing these tasks:

- CDC recommended screening of all who enter.
- Universal use of face masks for all personnel and other PPE as required.
- Ongoing environmental sanitation with EPA approved disinfectants.
- Use of recommended testing and isolation protocols upon close contact exposure in the last 14 days.
- COVID-19 positive residents are isolated following CDC guidance.
- Quarantine of COVID-19 positive staff to home.

The Glen's COVID-19 communications and updates are posted on our website at theglen.org/resources-for-the-coronavirus. For additional questions, contact The Glen at 318-798-3500.

Sincerely,
