RE: COVID-19 Update Glen Communications

Dear Residents and Family Members,

We are informing you of an update on The Glen's COVID-19 community status. The Glen learned of one resident in the Wheless Cottage and one resident in the Woolf Cottage who have tested positive for coronavirus. The resident in Wheless Cottage is quarantined off property, and the resident in Woolf Cottage is quarantined to their apartment.

Visitors who have had close contact exposure to a person with COVID-19 in the past 14 days or guests with symptoms of COVID-19 should not visit until they have completed a quarantine period of a minimum of 10 days from exposure or onset of symptoms. The Glen is continuing to mitigate the risks of COVID-19 by performing these tasks:

- CDC recommended screening of all who enter.
- Universal use of face masks for all personnel and other PPE as required.
- Ongoing environmental sanitation with EPA approved disinfectants.
- Use of recommended testing and isolation protocols upon close contact exposure in the last 14 days.
- COVID-19 positive residents are isolated following CDC guidance.
- Quarantine of COVID-19 positive staff to home.

The Glen's COVID-19 communications and updates are posted on our website at theglen.org/resources-for-the-coronavirus. For additional questions, contact The Glen at 318-798-3500.

Sincerely,

A handwritten signature in cursive script that reads "Debra Williams".
