Thanks to the generosity of our supporters last year, we were able to reopen essential parts of our campus that had been closed since the pandemic. Reopening these spaces has brought renewed energy to our community and improved our ability to assist residents requiring the highest level of care at Village Health Care. Your continued support plays a crucial role in sustaining our mission.

As we look ahead to the new year and our next phase of needed improvements, we are turning our attention to The Stiles Apartments. Our unique campus has evolved over the last several years with the addition of The Cottages, the transformation of Village Health Care, and the most recent addition of Redbrook Independent Living. During the past 30 years, as The Glen was growing to help meet the needs of older adults, minimal improvement was made to the common living areas and corridors of The Stiles Apartments. In the coming year, our goal is to revitalize and enhance the communal areas of The Stiles Apartments to create more welcoming spaces that truly feel like home.

Many residents living here will call The Stiles Apartments "home" for 15 years or more. Refreshing and modernizing these spaces will improve overall satisfaction and mental well-being for these residents by inspiring more social interaction and creating a stronger sense of community. Your support will enable us to bring these improvements to life and foster a more vibrant, engaged atmosphere for those living here.

The Glen has a long history of adapting to meet the needs of the Shreveport community. Founded in 1898 as a home for elderly women, we have evolved into a comprehensive life plan community offering a full continuum of care. Our core mission—to enrich the lives of older people through housing, healthcare, and services—has remained steadfast. This project will continue our tradition of adaptation and quality, ensuring that The Glen remains a cornerstone of the Shreveport-Bossier community for years to come.

We are truly grateful for the unwavering support of our donors. Your generosity has allowed us to sustain our mission for over 125 years. On behalf of the Board of Directors and The Glen community, we express our deepest gratitude for your past support. We thank you for your consideration and wish you a joyous holiday season.

Warmly,

Debra Williams
